

# TITAN DECK

Walk all over us. We can take it.

A black and white dog, possibly a Border Collie, is running towards the camera on a light-colored wooden deck. The dog's mouth is open, showing its tongue, and its tail is slightly raised. The background shows a cloudy sky and some greenery in the distance. The text "WALK ALL OVER US. WE CAN TAKE IT." is overlaid on the left side of the image in a bold, orange, sans-serif font.

**WALK ALL OVER US.  
WE CAN TAKE IT.**

Titan Deck is engineered so your decking will be the last thing on your mind. Made of 100% polypropylene, Titan Decking will never rot, warp, dent, splinter or bend and will never need painting or staining. It is a UV-protected, bare-foot friendly decking that stays cool in extreme temperatures and fits most docks or piers.

Titan Deck products are covered by a **12-year limited warranty.**

## A PRODUCT OF **voyager** INDUSTRIES

voyager-industries.com  
800-980-4940

### About Us

Located in the heart of the Minnesota lakes area, Voyager Industries is a leading manufacturer, distributor, and fabricator of aluminum. Voyager Industries manufactures multiple products to meet the wants and needs of customers around the world.

Proprietary brands include **Titan Deck**, **Yetti Fish Houses**, **Bear Track Trailers**, and **Voyager Dock**. In 2004, with many of their customers being in the waterfront industry, Voyager recognized the need for an alternative to aluminum and wood dock decking. After much effort in designing and redesigning, Voyager created the ultimate deck board, one that is strong, durable and stylish, **Titan Deck**.

# WHY CHOOSE TITAN DECK

Titan Deck is designed to be the last decking you'll ever use. We know you would rather be bonding with your children, reeling in a lunker, carving a turn in your water skis, or stargazing with a loved one, than working on your dock.

## 100% Polypropylene

Titan Deck is made out of 100% polypropylene, which is a sturdy plastic that will take everything you and Mother Nature can throw at it.

## UV Protection

All Titan Deck products come with UV protection which will prevent significant fading. Titan Deck will also handle any wild weather changes. All Titan Deck materials have been tested in temperatures ranging from -25°F to 120°F (-32°C to 49°C).

## 12-Year Limited Warranty

Titan Deck products are covered by a 12-year limited warranty, so you know you're getting a product that will last.

## Barefoot Approved

Titan Deck is designed with bare feet in mind. Your feet and even the smallest feet in your family will feel right at home on Titan Deck.

# RE-DECK WITH TITAN

## Restore your existing dock with new Titan decking.

If you have a dock with a solid structure but boards that are deteriorating, re-decking with Titan is a great and affordable option. Plus, all your neighbors will be jealous of your new look!

Contact a dealer near you to see how Titan Deck can be retrofitted to your dock or pier. Find a dealer at [www.titandeck.net/find-dealer](http://www.titandeck.net/find-dealer).

# APPLICATIONS & USES

Titan Deck is ideal for many applications ranging from residential to commercial needs. With its maintenance-free, skid-resistant surface, it's no wonder Titan Deck is the first choice in so many industries.

Choose Titan Deck for the following projects:

Dock Systems  
Ramps and Steps  
Pathways  
Decks  
*and Much More!*

## RESIDENTIAL

Small Dock Systems and Association Dock Systems

# COMMERCIAL

Restaurants / Waterfront Businesses, Marinas and Piers

# TITAN DECK OVERVIEW

Titan Deck will take everything you and Mother Nature can throw at it. All Titan Deck boards are maintenance free and environmentally safe, with a non-slip surface that is barefoot approved. Plus, the boards are UV protected to minimize fading over time.

## Specifications

- Barefoot friendly, skid-resistant surface.
- Titan Deck's design allows dirt, sand and debris to pass through while also allowing sunlight to penetrate vegetation below.
- Strong, durable and virtually maintenance free.
- Design can minimize damage from wind, waves, high water and storm surge.
- Stays cool even in extreme temperatures.
- Titan Deck will not rot, curl, warp, dent, splinter or bend and never needs staining or painting.
- Titan Deck boards are made of injection molded polypropylene and comes with a 12-year limited warranty.
- UV-protected to minimize fading.
- Add aluminum stiffeners for more stability

# BOARD SELECTIONS

## **Titan Classic** *(available in reinforced)*

Available in 2', 3', 4' and 5' Lengths  
(609.60mm, 914.40mm, 1,219.20mm, 1,524.00mm)  
Depth: 1.125" (28.575mm) | Width: 12" (304.80mm)

## **Titan X-Series** *(available in reinforced)*

Available in 2', 3', 4' and 5' Lengths  
(609.60mm, 914.40mm, 1,219.20mm, 1,524.00mm)  
Depth: 1.5" (38.10mm) | Width: 12" (304.80mm)

## **Titan Open-X Series**

Available in 3', 4' and 5' Lengths  
(914.40mm, 1,219.20mm, 1,524.00mm)  
Depth: 1.5" (38.10mm) | Width: 12" (304.80mm)  
Offers 47% open area which meets most US government regulations for open area and light penetration.

## **Product Features**

- Two Standard Colors: Mushroom & Gray
- Up to 16" (406.40mm) centers non-reinforced
- Up to 24" (609.60mm) centers need reinforced

Titan decking is manufactured in individual boards for flexible and easy install. Boards can also be assembled into panels which allows for easy removal for winter, or for easy access to dock utilities such as electrical and plumbing.

A young child in green swim trunks is captured mid-air, performing a backflip from a wooden dock into a body of water. The child's legs are tucked, and their arms are extended. Water droplets are visible around the child's feet. The dock is made of wooden planks with a grid pattern. In the background, there is a calm lake, a line of green trees, and a cloudy sky. The overall scene is bright and summery.

**YOUR MEMORIES LAST  
A LIFETIME. SO SHOULD  
YOUR DECKING.**

# PRODUCT SPECIFICATIONS

## Titan Classic

Our most popular board, the Classic Series style, was Titan Deck's original board. The Classic design is for those that prefer to keep it simple. The traditionalist who just loves a good-looking dock.

Titan Classic Series	Panel Size	Span	Depth	Weight
Non-Reinforced	24" (609.60mm)	16" (406.40mm)	1.125" (28.575mm)	3 lbs (1.36 kg)
	36" (914.40mm)	16" (406.40mm)	1.125" (28.575mm)	5 lbs (2.27 kg)
	48" (1,219.20mm)	16" (406.40mm)	1.125" (28.575mm)	7 lbs (3.18 kg)
	60" (1,524.00mm)	20" (508.00mm)	1.125" (28.575mm)	8 lbs (3.63 kg)
Reinforced	24" (609.60mm)	24" (609.60mm)	1.125" (28.575mm)	5 lbs (2.27 kg)
	36" (914.40mm)	18" (457.20mm)	1.125" (28.575mm)	7 lbs (3.18 kg)
	48" (1,219.20mm)	24" (609.60mm)	1.125" (28.575mm)	9 lbs (4.08 kg)
	60" (1,524.00mm)	24" (609.60mm)	1.125" (28.575mm)	11 lbs (4.99 kg)

## Titan X-Series

The X-Series is for the boater who prefers a more modern design. With its X shape built into the boards this design is quickly gaining popularity. Offering the same features as our Classic boards, the X-Series design is for the consumer that wants the neighbors to take notice.

Titan X-Series	Panel Size	Span	Depth	Weight
Non-Reinforced	24" (609.60mm)	16" (406.40mm)	1.5" (38.10mm)	3 lbs (1.36 kg)
	36" (914.40mm)	16" (406.40mm)	1.5" (38.10mm)	5 lbs (2.27 kg)
	48" (1,219.20mm)	16" (406.40mm)	1.5" (38.10mm)	7 lbs (3.18 kg)
	60" (1,524.00mm)	20" (508.00mm)	1.5" (38.10mm)	8 lbs (3.63 kg)
Reinforced	24" (609.60mm)	24" (609.60mm)	1.5" (38.10mm)	5 lbs (2.27 kg)
	36" (914.40mm)	24" (609.60mm)	1.5" (38.10mm)	7 lbs (3.18 kg)
	48" (1,219.20mm)	24" (609.60mm)	1.5" (38.10mm)	9 lbs (4.08 kg)
	60" (1,524.00mm)	24" (609.60mm)	1.5" (38.10mm)	11 lbs (4.99 kg)

## Titan Open-X Series

The Open X-Series is the X-Series design with more open area, 47% to be exact. Open X-Series boards are used mostly by consumers in regions where there are government regulations on open area or that have strong winds, waves, high water or storm surges. Although with its modern design, more consumers are choosing the Open X-Series for its sleek style.

Titan Open X-Series	Panel Size	Span	Depth	Weight
Non-Reinforced	24" (609.60mm)	16" (406.40mm)	1.5" (38.10mm)	3 lbs (1.36 kg)
	36" (914.40mm)	16" (406.40mm)	1.5" (38.10mm)	5 lbs (2.27 kg)
	48" (1,219.20mm)	16" (406.40mm)	1.5" (38.10mm)	6 lbs (2.72 kg)
	60" (1,524.00mm)	16" (406.40mm)	1.5" (38.10mm)	8 lbs (3.63 kg)
Reinforced	N/A	N/A	N/A	N/A

*\*With 47% Open Area, Titan Open X-Series meets most U.S. Government regulations for Open Area.*
